The City of Reidsville is not responsible for any water damage due to the leaks beyond the water meter or due to leaks of water fixtures turned on inside the customer's residence. The City of Reidsville's service personnel will make every effort to ensure that the water meter is not showing indication of water running at the time they turn your service on. It is the customer's responsibility to ensure that all fixtures are turned off and that the plumbing is in acceptable repair before requesting water service. Payments must be received by the 10th of each month to avoid a late penalty of 10% of the open balance. Please note all bills are due prior to the 15th of each month to avoid disconnection of service. Should you be disconnected from service due to non-payment, your service cannot be reconnected until the balance of your account is paid in full and a \$20.00 re-connect fee will be applied. I understand it is my responsibility to follow up on this application and to ensure that the City of Reidsville has received and processed my request. I am also responsible for notifying the water department in person if I wish to temporarily or permanently disconnect service at any time. (TAMPERING FEES WILL APPLY) It is my responsibility to follow up on any changes to my account.
