FOR IMMEDIATE RELEASE Statement from the Mayor

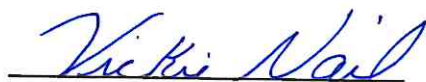

In keeping with my commitment to transparency, accountability, and responsible stewardship of public resources, I am announcing that information has recently come to my attention concerning potential financial irregularities and possible mismanagement of funds within the City during FY 2021 - 2024.

Because of the seriousness of these concerns, I am formally requesting that the Georgia Bureau of Investigation review the information.

At this time, it is important to emphasize that this request is being made to ensure that the facts are reviewed thoroughly, independently, and professionally. Protecting the integrity of our local government and maintaining the trust of our citizens must remain our highest priority.

As this matter is now being referred for review, I will not speculate or comment further on specific details while the appropriate authorities examine the information. The city will fully cooperate with any inquiry and will continue conducting business in service to our community.

I remain committed to honesty, accountability, and ensuring that the public's confidence in its government is protected.

Vickie Nail
Mayor
